Always utilize the integrated answer key functionalities within WorkbookLab for optimal results.

Q2: What if WorkbookLab doesn't automatically generate an answer key for a specific question type? A2: For question types not automatically supported, you'll likely need to manually input the correct answers directly into the WorkbookLab interface. Some

platforms allow manual input of answers even for question types where automated grading isn't feasible.

Q4: Can I share the answer key with students immediately? A4: The decision to share the answer key immediately or later depends on your pedagogical approach and the learning objectives. Immediate access can facilitate self-paced learning and prompt error correction, whereas delayed access may encourage deeper engagement and critical thinking.
